UPCOMING EVENTS

June 2, 2007

Annual Yard Sale

Saturday is the day for our annual Yard Sale. Plenty of help will be needed for this fund raising event.

June 3, 2007

Monthly Club Meeting

**MEETING
CANCELLED**

June 23, 2007

2nd Annual Fun Fly

This could well become our largest fund raiser so we need lots of help to make this a successful event.

Our Annual Yard Sale

Saturday, June 2nd is the day. Once again, the Hemphill's will be graciously allowing the club use of their property to host our annual yard sale. And, once again, we will need plenty of help.

As with previous years, members are asked to not only contribute a couple of hours of their time, but those willing to help out are asked to bring at least one (1) package of hot dogs and a package of buns. These dogs will be sold at the yard sale as a means of generating additional funds for the club.

If you have anything that you would like to donate to the yard sale, you should be able to drop it off at the Hemphill's Friday evening. Check with the Hemphill's before just showing up with a truck load of stuff.

2nd Annual Fun Fly

The 2nd annual fun fly is scheduled for Saturday, June 23rd at the field. At this time there is not much information available. Since the June meeting was cancelled, there doesn't look like there will be much information forthcoming. Unless the plans are being kept a super secret, the outcome of this event is anyone's guess.

June Meeting Cancelled?

It appears that the lines of communication within the club must be drying up like the grass. Based on an email from our club Secretary, Mike Gumkowski, the membership meeting scheduled for June 3rd. has been cancelled since there was a meeting on May 28th. It's nice to know that we can count on Mike to get the word out after he heard it through the grapevine. Best guess is that if you were not at the Memorial Day meeting, you didn't get notified about the cancellation in a timely manner.

And is this the beginning of a new trend within the club? If you didn't show up for the last work day, but came out for the meeting that was scheduled – chances are you got a big surprise. Seems that the meeting was held as soon as the work was finished and everybody was gone before noon. Now, if you weren't at the Memorial Day meeting you did not get notified that the June meeting was being cancelled.

Since changes are being made on the spur of the moment, it looks like the calendar of events may get tossed out the window.

What's Next

The only thing scheduled for July is the General Membership Meeting and Picnic scheduled for July 8th. The meeting is scheduled to start at 2:30 pm with the picnic to start at 4:00 pm.

Members are reminded that the club has established a specific area that is to be mowed each week. When it is your time to mow, you are asked to pay attention to and stay within the established areas for which the club is responsible for mowing.

Discussion Forum

Just as an update, there has been very little activity on the forum. This is disappointing. It was hoped that by incorporating this forum into our website, our members would see the potential of this feature and would embrace it. This does not seem to be the case.

Based on the amount of activity, or the definite lack there of, it appears that the club in general is not interested in supporting this project. That being the case, the forum will be deactivated and removed at the end of the month unless there is some indication that club members will be utilizing it. In other words, use it or lose it!

This Month

Don't forget that we have our annual Yard Sale scheduled for June 2nd. This is our biggest money-making event of the year and again we are asking for your support to make this successful. Check the forum for updates.

Also scheduled for June 23rd is the 2nd Annual Fun Fly. Unfortunately, there is not any information to pass on about this event. If anyone happens to hear anything through the grapevine about this, please share it with the rest of us.

Other Goodies

Now that warmer weather is setting in, you might want to stock up on the t-shirts and hats that bear the club's logo. If you are interested in purchasing a new shirt or ball cap, check with Jerry Rudish when you see him at the field. He'll get you all taken care of.
